clustermappinginitiative.org

CLUSTER aims at establishing a space for critical urban discourse and design practice, with a particular focus on public space and urban informality. CLUSTER's practice involves four sets of activities: architecture and urban design; research and mapping; networking events, web-platforms and public programs; and workshops and trainings.

ABOUT CLUSTER'S LIBRARY (CURL)

Cairo Urban Resource Library (CURL) is a dedicated library collection housed at CLUSTER. CURL is a focused Architecture/Urbanism collection within the context of an interdisciplinary library, including books, maps, and technical reports related to:
